Mitarbeiter im Bereich NormMaster and Standardisation Management (f/m)

FAB Bertelmann Technologie is a personal engineering office. Our customers are among the top addresses in the power engineering, automotive and aviation industries. For many years now, they have appreciated that their demanding technical problems are understood and translated into innovative and reliable solutions.

Mitarbeiter im Bereich NormMaster and Standardisation Management (f/m)

asap | fulltime: 35h / 152,25h | asap – 30.06.2019

job description :

NormMaster is a Standards Information and Management System (web application, based on an Oracle database) developed by T-Systems which is used by Airbus worldwide but also by many other Airbus entities (incl. subsidiaries) and suppliers worldwide since the year 2000. From 2018 onwards, Airbus has harmonized the standards management in order to have only one NormMaster installation for the whole group. This installation will be administrated and managed by Engineering Data Management in Manching.

- Define and implement the roadmap to "NormMaster as one tool for Airbus"
- Define, implement, upgrade and train new NormMaster functions like Supplier Portal, Document Workflow, etc
- Continuous improvement of the NormMaster installation, service and application in close cooperation with the internal IT departments and the tool provider T-Systems
- Maintenance and update of the standards Information System, NormMaster (incorporation of new documents, handling/storage of document files, processing of amendment Services)
- Support of the users of NormMaster (processing of document orders incl. procurement of documents from external sources, management of user accounts, preparation of training material, performance of trainings, etc.)

requirements :

- education and training: Informatik
- work experience (at least 2 years): Change Management, Projektmanagement
- Experience in aircraft, preferred Airbus, industry is needed
- Experience in Project Management of Improvement Projects (Driver, etc.) is needed
- MS-Office
- Experience with NormMaster and MS-SQL is necessary
- Knowledge of export control and copyright regulations is needed
- Language: English, German
- Good communication, presentation and training skills
- Experience in international teams

workplace: Manching

Do you feel called upon? Then you are right! With energy and passion, shape the future in an international team and strengthen us in building our position. **Our offer!** Become part of an owner-managed company with personal ties, performance-related pay, short information channels and flexible working hours. We support your development with targeted training opportunities.
